

HOW TO GET A COVID-19 TEST AT U-M

A guide for the U-M community on available testing options on campus.

STUDENTS

FACULTY/STAFF

I HAVE SYMPTOMS

Students with COVID-19 symptoms can be tested at [University Health Service](#). Start your assessment by calling UHS (734) 764-8320 or completing the [Upper Respiratory Infection and COVID-19 Assessment Tool](#).

Faculty, staff, health professions students (medical, dental, nursing, pharmacy), and student employees with COVID-19 symptoms can contact the [Occupational Health Services](#) hotline by calling (734) 764-8021 to arrange testing through Michigan Medicine.

Isolate from others while arranging evaluation and testing, and while awaiting your results.

I DO NOT HAVE SYMPTOMS BUT WOULD LIKE TO GET TESTED

Sign-up for the [U-M COVID-19 Community Sampling and Tracking program](#), a free, voluntary asymptomatic testing program open to students living on or off campus as well as faculty and staff, including those from Michigan Medicine, who work in-person on the Ann Arbor campus. [University Health Service](#) provides testing to patients who may require testing for a program, employment, travel, or pre-procedural clearance. More information about testing criteria is available [here](#).

I AM A CONFIRMED CLOSE CONTACT* of someone who has COVID-19

Students who are confirmed close contacts* can be tested at [University Health Service](#). Start your assessment by calling UHS (734-764-8320) or completing the [Upper Respiratory Infection and COVID-19 Assessment Tool](#).

Testing should occur more than 5 days after exposure to improve detection of the virus and reduce likelihood of a false negative.

Faculty, staff, health professions students (medical, dental, nursing, pharmacy), and student employees who are confirmed close contacts* can contact the [Occupational Health Services](#) hotline by calling (734) 764-8021 to arrange testing through Michigan Medicine.

Testing should occur more than 5 days after exposure to improve detection of the virus and reduce likelihood of a false negative.

Quarantine from others while arranging evaluation and testing, and while awaiting your results.

I'M WORRIED ABOUT POSSIBLE EXPOSURE TO COVID-19 (not confirmed close contact*)

Students who do not have confirmed close contact but are worried about potential exposure can sign up for the [U-M COVID-19 Community Sampling and Tracking program](#).

Students who are unsure but believe they may have had a close contact can also be tested at [University Health Service](#). Testing should occur more than 5 days after exposure to improve detection of the virus and reduce likelihood of a false negative.

Faculty or staff who do not have confirmed close contact but are worried about potential exposure can sign up for the [U-M COVID-19 Community Sampling and Tracking program](#).

I'M WORRIED ABOUT POSSIBLE EXPOSURE TO COVID-19 THROUGH MY LIVING/WORKING ENVIRONMENT

Students in communal living communities (through Michigan Housing or off campus) where clusters have been identified are offered on-site, pop-up testing through [University Health Service](#) based on their proximity to the cluster.

Those who reside in the residence hall, but not in immediate vicinity are encouraged to sign-up for the [U-M COVID-19 Community Sampling and Tracking program](#).

Faculty or staff working where cases or clusters have been identified, regardless of whether there was a known close contact exposure, can contact the [Occupational Health Services](#) hotline by calling (734) 764-8021 to arrange testing through Michigan Medicine.

I AM IN QUARANTINE DUE TO AN EXPOSURE

Students currently in quarantine through U-M Quarantine & Isolation Housing can request testing through University Health Service by completing this [online questionnaire](#).

Faculty and staff in quarantine due to a workplace exposure can contact the [Occupational Health Services](#) hotline by calling (734) 764-8021 to arrange testing through Michigan Medicine.

I AM PREPARING TO TRAVEL/RETURN TO MY PERMANENT RESIDENCE

Students living in Michigan Housing are required to be tested prior to leaving campus to return to their permanent residence. Students living off campus are strongly encouraged to be tested prior to leaving campus. [More details here.](#)

Students preparing to travel for other reasons can be tested through [University Health Service](#).

Faculty and staff can contact the [Occupational Health Services](#) hotline by calling (734) 764-8021 to arrange testing through Michigan Medicine for work-related travel.

I NEED TESTING PRIOR TO A MEDICAL OR DENTAL PROCEDURE

Students should contact their medical provider. If your test comes back positive, please isolate and contact University Health Service by calling (734) 764-8321.

Alternatively, students can request testing through University Health Service by completing this [online questionnaire](#).

Faculty and staff should contact their medical provider. If your test comes back positive, please **isolate** and contact the Occupational Health Services hotline by calling (734) 764-8021.
