HOW TO GET A COVID-19 TEST AT U-M
A guide for the U-M community on available testing options on campus.

I HAVE SYMPTOMS

Students with COVID-19 symptoms can be tested at University Health Service. Start your assessment by calling UHS (734-764-8320) or completing the Upper Respiratory Infection and COVID-19 Assessment Test.

Faculty, staff, health professions students (medical, dental, nursing, pharmacy), and student employees with COVID-19 symptoms can contact the Occupational Health Services hotline by calling (734) 936-8021 to arrange testing through Michigan Medicine.

Students who do not have confirmed close contact but are worried about potential exposure can sign up for the U-M COVID-19 Community Sampling and Tracking program. Students can sign up online or by calling (734) 764-8021. Testing should occur more than 5 days after exposure to improve detection of the virus and reduce likelihood of a false negative.

Students in communal living communities (through Michigan Housing or off campus) where clusters have been identified are encouraged to sign up for the U-M COVID-19 Community Sampling and Tracking program.

I DO NOT HAVE SYMPTOMS BUT WOULD LIKE TO GET TESTED

Sign-ups for the U-M COVID-19 Community Sampling and Tracking program, a free, voluntary asymptomatic testing program open to students living on or off campus as well as faculty and staff, including those from Michigan Medicine, who work on the Ann Arbor campus.

University Health Service provides testing to patients who may require testing for a program, employment, travel, or pre-procedural clearance. More information about testing criteria is available here.

Students currently in quarantine through U-M Quarantine & Isolation Housing or off campus who are worried about potential exposure can sign up for the U-M COVID-19 Community Sampling and Tracking program by completing the online questionnaire. Testing should occur 5 or more days after exposure.

Students living in Michigan Housing are required to be tested prior to leaving campus to return to their permanent residence. Students living off campus are strongly encouraged to be tested prior to leaving campus. More details here.

Students preparing to travel for other reasons can be tested through University Health Service by completing the online questionnaire.

I HAVE SYMPTOMS

Students who are confirmed close contact* to a case can be tested at University Health Service.

Students who do not have confirmed close contact but are worried about potential exposure can sign up for the U-M COVID-19 Community Sampling and Tracking program.

Faculty or staff who do not have confirmed close contact but are worried about potential exposure can sign up for the U-M COVID-19 Community Sampling and Tracking program.

I AM CONFIRMED CLOSE CONTACT* of someone who has COVID-19

Faculty staff, health professions students, and student employees who are confirmed close contacts* can contact the Occupational Health Services hotline by calling (734) 936-8021 to arrange testing through Michigan Medicine. Testing should occur more than 5 days after exposure to improve detection of the virus and reduce likelihood of a false negative.

I AM WORRIED ABOUT POSSIBLE EXPOSURE TO COVID-19

Students preparing to travel for other reasons can be tested through University Health Service by completing the online questionnaire.

University staff who do not have confirmed close contact but are worried about potential exposure can sign up for the U-M COVID-19 Community Sampling and Tracking program.

I'M A CONFIRMED CLOSE CONTACT* of someone who has COVID-19 (not confirmed close contact*)

Faculty or staff who are unsure but believe they may have had close contact can also be tested at University Health Service. Testing should occur more than 5 days after exposure to improve detection of the virus and reduce likelihood of a false negative.

I'M WORRIED ABOUT POSSIBLE EXPOSURE TO COVID-19 THROUGH MY LIVING/WORKING ENVIRONMENT

Students currently in quarantine through U-M Quarantine & Isolation Housing or off campus who are worried about potential exposure can sign up for the U-M COVID-19 Community Sampling and Tracking program by completing the online questionnaire. Testing should occur 5 or more days after exposure.

Students currently preparing to travel for other reasons can be tested through University Health Service by completing the online questionnaire.

I'M IN QUARANTINE DUE TO AN EXPOSURE

Faculty and staff in quarantine due to a workplace exposure can contact the Occupational Health Services hotline by calling (734) 936-8021 to arrange testing through Michigan Medicine.

I AM PREPARING TO TRAVEL/RETURN TO MY PERMANENT RESIDENCE

Faculty and staff can contact the Occupational Health Services hotline by calling (734) 936-8021 to arrange testing through Michigan Medicine for work-related travel.

I NEED TESTING PRIOR TO A MEDICAL OR DENTAL PROCEDURE

Students should contact their medical provider. If your test comes back positive, please isolate and contact University Health Service by calling (734) 764-8021.

Alternatively, students can request testing through University Health Service by completing the online questionnaire.
