Students with COVID-19 symptoms can be tested at University Health Service. Testing is available seven days a week.

Faculty, staff, health professions students (medicine, dentistry, nursing, pharmacy) and student employees who are confirmed close contacts can contact the Occupational Health Services hotline by calling (734) 764-8021 to arrange testing through Michigan Medicine.

Students in communal living communities (through Michigan Housing or off campus) where large clusters have been identified are offered on-site, pop-up testing through the U-M COVID-19 Community Sampling and Tracking program.

Students preparing to travel for other reasons can be tested through University Health Service.

Students who are unsure but believe they may have had a close contact can also be tested at University Health Service.
