I AM REQUIRED TO COMPLETE WEEKLY TESTING

Undergraduate students who leave, return, or come to campus for other activities are required to complete weekly mandatory testing through the U-M COVID-19 Community Sampling and Tracking program. Testing should occur 8-10 days after exposure.

Does not apply to faculty and staff.

I AM A CONFIRMED CLOSE CONTACT* of someone who has COVID-19

Students who are confirmed close contacts* can be tested at University Health Service. Start your assessment by calling (734) 764-8021 to arrange testing through Michigan Medicine.

Testing should occur 8-10 days after exposure to improve detection of the virus and reduce likelihood of a false negative.

Faculty of staff who do not have confirmed close contact who are worried about potential exposure can sign up for the U-M COVID-19 Community Sampling and Tracking program.

I'M WORRIED ABOUT POSSIBLE EXPOSURE TO COVID-19
THROUGH MY LIVING/WORKING ENVIRONMENT

Students currently in quarantine through U-M Quarantine & Isolation Housing can request testing through University Health Service by completing this online questionnaire. Testing should occur 8-10 days after exposure.
