Students with COVID-19 symptoms can be tested at University Health Service. Testing is available Monday through Saturday.

**I AM CONFIRMED CLOSE CONTACT** of someone who has COVID-19

- If you test positive for COVID-19 or suspect you are infected with the virus that causes COVID-19, contact your healthcare provider and isolate.
- Students, isolate:
  - 5 days from last exposure to the index person if you are asymptomatic or symptoms are resolving.
  - Your test date is Day 0.

- Faculty, staff, health professionals students (medical, dental, nursing, pharmacy), and student employees who are confirmed close contacts can contact the Occupational Health Services hotline by calling (734) 764-8021 to arrange testing through Michigan Medicine.
- If you have tested positive for COVID-19 or have COVID-19 symptoms, contact your health care provider. If your test comes back positive, please isolate and contact the Occupational Health Services hotline by calling (734) 764-8021 to arrange testing through Michigan Medicine.

**I HAVE TESTED POSITIVE FOR COVID-19**
