START

I HAVE SYMPTOMS

Students

Students with COVID-19 symptoms can be tested at University Health Service. Start your assessment by calling UHS (734) 764-8320 or completing the Upper Respiratory Infection and COVID-19 Assessment Test.

Faculty

Faculty, staff, health professionals students (medical, dental, nursing, pharmacy) and student employees with COVID-19 symptoms can contact the Occupational Health Services hotline by calling (734) 936-0221 to arrange testing through Michigan Medicine.

I DO NOT HAVE SYMPTOMS BUT WOULD LIKE TO GET TESTED

Students

Students who are close contacts* of a confirmed COVID-19 case can be tested at University Health Service. Start your assessment by calling UHS (734) 764-8320 or completing the Upper Respiratory Infection and COVID-19 Assessment Test.

Faculty

Faculty or staff who do not have confirmed close contact but are worried about potential exposure can sign up for the U-M COVID-19 Community Sampling and Tracking program.

I AM A CONFIRMED CLOSE CONTACT* of someone who had COVID-19

Students

Students who are confirmed close contacts* can be tested at University Health Service. Start your assessment by calling UHS (734) 764-8320 or completing the Upper Respiratory Infection and COVID-19 Assessment Test.

Faculty

Faculty staff, health professionals students (medical, dental, nursing, pharmacy) and student employees who are confirmed close contacts* can contact the Occupational Health Services hotline by calling (734) 936-0221 to arrange testing through Michigan Medicine.

I'M WORRIED ABOUT POSSIBLE EXPOSURE TO COVID-19 (not confirmed close contact*)

Students

Students who do not have confirmed close contact but are worried about potential exposure can sign up for the U-M COVID-19 Community Sampling and Tracking program.

Faculty

Faculty or staff who do not have confirmed close contact but are worried about potential exposure can sign up for the U-M COVID-19 Community Sampling and Tracking program.

I'M WORRIED ABOUT POSSIBLE EXPOSURE TO COVID-19 THROUGH MY LIVING/WORKING ENVIRONMENT

Students

Students in communal living communities (through Michigan Housing or off campus) where clusters have been identified are offered on-site, pop-up testing through University Health Service based on their proximity to the cluster.

Faculty

Faculty or staff working where cases or clusters have been identified, regardless of whether there was a known close contact exposure, can contact the Occupational Health Services hotline by calling (734) 764-0221 to arrange testing through Michigan Medicine.

I AM IN QUARANTINE DUE TO AN EXPOSURE

Students

Students currently in quarantine through U-M Quarantine & Isolation Housing can request testing through University Health Service by completing this online questionnaire.

Faculty

Faculty and staff in quarantine due to a workplace exposure can contact the Occupational Health Services hotline by calling (734) 764-0221 to arrange testing through Michigan Medicine.

I AM PREPARING TO TRAVEL/RETURN TO MY PERMANENT RESIDENCE

Students

Students living in Michigan Housing are strongly encouraged to be tested prior to leaving campus. More details here.

Faculty

Faculty and staff can contact the Occupational Health Services hotline by calling (734) 764-0221 to arrange testing through Michigan Medicine for work-related travel.

I NEED TESTING PRIOR TO A MEDICAL OR DENTAL PROCEDURE

Students

Students should contact their medical provider. If your test comes back positive, please isolate and contact University Health Service by calling (734) 764-8321.

Faculty

Faculty and staff should contact their medical provider. If your test comes back positive, please isolate and contact the Occupational Health Services hotline by calling (734) 764-0221.

CampusBlueprint.umich.edu

Confirmed close contact*: Within 6 feet of a case for a total of 15 minutes or more in 24 hours as determined by a public health official.
