HOW TO GET A COVID-19 TEST AT U-M

A guide for the U-M community on available testing options on campus.

STUDENTS

I HAVE SYMPTOMS

Students with COVID-19 symptoms can be tested at University Health Service. Start your assessment by calling (734) 764-8021 or completing the Online Questionnaire. Testing should occur between days 6 and 10 for patients with confirmed close contact who tested negative on day 5 of isolation. Students who test negative for COVID-19 on day 5 of isolation can contact University Health Service to return to their normal daily activities.

I DO NOT HAVE SYMPTOMS BUT WOULD LIKE TO GET TESTED

Sign up for the U-M COVID-19 Community Sampling and Tracking program, a free, asymptomatic testing program open to all U-M students, faculty and staff, including Michigan Medicine employees, on the Ann Arbor campus. Depending on their proximity to clusters, testing is required for students, staff and students who are confirmed close contacts.*

I AM REQUIRED TO COMPLETE WEEKLY TESTING

Students in communal living communities (through Michigan Housing or off campus) who live with classmates who have been identified as having COVID-19 can be tested through University Health Service or Michigan Medicine. Test visits can be scheduled by calling (734) 764-8320 or completing the Community Sampling and Tracking program.

I AM A CONFIRMED CLOSE CONTACT* of someone who has COVID-19

Students who are confirmed close contacts* can be tested at University Health Service. Testing should occur between days 6 and 10 after the exposure, depending on quarantine requirements. Faculty and staff, including health professions students (medicine, dentistry, pharmacy) and student employees who are confirmed close contacts* can contact the Occupational Health Services hotline by calling (734) 764-8021 to arrange testing through Michigan Medicine.

I'M WORRIED ABOUT POSSIBLE EXPOSURE TO COVID-19 THROUGH MY LIVING/WORKING ENVIRONMENT

Students in communal living communities (through Michigan Housing or off campus) who have been identified as having COVID-19 can be tested through University Health Service or Michigan Medicine. Testing should occur 8 days after exposure or later.

I'M WORRIED ABOUT POSSIBLE EXPOSURE TO COVID-19

Students who do not have confirmed close contact exposure are worried about potential exposure can sign up for the U-M COVID-19 Community Sampling and Tracking program. Students who do not have confirmed close contact exposure but are worried about potential exposure can sign up for the U-M COVID-19 Community Sampling and Tracking program.

I'M IN QUARANTINE DUE TO AN EXPOSURE

Students currently in quarantine through U-M Quarantine & Isolation Housing can request testing through University Health Service by completing this online questionnaire. Testing should occur 8 days after exposure or later.

I AM PREPARING TO TRAVEL/RETURN TO MY PERMANENT RESIDENCE

Students living in Michigan Housing are required to be tested prior to leaving campus to return to their permanent residence. Students living off campus are strongly encouraged to contact their healthcare provider to arrange testing.

I NEED TESTING PRIOR TO A MEDICAL OR DENTAL PROCEDURE

Students preparing to travel or who are concerned about potential exposure can sign up for the U-M COVID-19 Community Sampling and Tracking program. Students should contact their medical provider. If your test comes back positive, please isolate and contact University Health Service by calling (734) 764-8321.

Faculty and staff should contact their medical provider. If your test comes back positive, please isolate and contact Occupational Health Services by calling (734) 764-8021.

Faculty and staff working where cases or clusters have been identified, regardless of whether there was a known close contact exposure, can contact the Occupational Health Services hotline by calling (734) 764-8021 to arrange testing through Michigan Medicine.

FACULTY/STAFF

I HAVE SYMPTOMS

Faculty, staff, health professions students (medicine, dentistry, nursing, pharmacy) and student employees with COVID-19 symptoms can contact the Occupational Health Services hotline by calling (734) 764-8021 to arrange testing through Michigan Medicine.

I DO NOT HAVE SYMPTOMS BUT WOULD LIKE TO GET TESTED

Faculty and staff who do not have confirmed close contact who are worried about potential exposure can sign up for the U-M COVID-19 Community Sampling and Tracking program.

I AM REQUIRED TO COMPLETE WEEKLY TESTING

Faculty or staff working where cases or clusters have been identified, regardless of whether there was a known close contact exposure, can contact the Occupational Health Services hotline by calling (734) 764-8021 to arrange testing through Michigan Medicine. Faculty and staff in quarantine due to a workplace exposure can contact Occupational Health Services hotline by calling (734) 764-8021 to arrange testing through Michigan Medicine.

I'M WORRIED ABOUT POSSIBLE EXPOSURE TO COVID-19

Faculty and staff where cases or clusters have been identified, regardless of whether there was a known close contact exposure, can contact the Occupational Health Services hotline by calling (734) 764-8021 to arrange testing through Michigan Medicine for work-related travel. For personal travel, testing options include through a healthcare provider, Community Sampling and Tracking Program or community testing sites.

I'M IN QUARANTINE DUE TO AN EXPOSURE

Faculty and staff in quarantine due to a non-work-related exposure can contact the Occupational Health Services hotline by calling (734) 764-8021 to arrange testing through Michigan Medicine.

I AM PREPARING TO TRAVEL/RETURN TO MY PERMANENT RESIDENCE

Faculty and staff can contact the Occupational Health Services hotline by calling (734) 764-8021 to arrange testing through Michigan Medicine for work-related travel. For personal travel, testing options include through a healthcare provider, Community Sampling and Tracking Program or community testing sites.
