# COVID-19 Scenarios for Students Living in Off-Campus Housing

## Students may shift columns based on scenario developments.

### COVID-19 SAFETY FIRST

### COVID-19 Scenarios

**1.** I have **SYMPTOMS OF COVID-19.**

- **You should isolate** and get tested at University Health Service.
  - Start University Health Service assessment by completing the Upper Respiratory Infection and COVID-19 Assessment Tool or call 734-764-8320.
  - If your test result is not from UHS or U-M, report your positive result here.
  - Assess if your living situation is safe for isolation.
  - Yes? Follow CDC guidance on how to protect others in your living environment.
  - If your living environment is unsafe, move to isolation. Options include: return to permanent residence, U-M Q&I Housing or other.
  - To arrange U-M Q&I Housing, call U-M Q&I Coordination Center at 734-936-2600.
  - After 8 PM, contact DPSS Dispatch at (734) 763-1131 to be relocated to isolation housing.
  - Pack a “To Go” Bag with personal items.

**2.** I have a **POSITIVE COVID-19 TEST RESULT** (within the last 10 days)**.**

- You should isolate. Follow guidance of your health care provider and case investigator.
  - If your test result is not from UHS or U-M, report your positive test result here.
  - Assess if your living situation is safe for isolation.
  - Yes? Follow CDC guidance on how to protect others in your living environment.
  - If your living environment is unsafe, move to isolation. Options include: return to permanent residence, U-M Q&I Housing or other.
  - To arrange U-M Q&I Housing, call U-M Q&I Coordination Center at 734-936-2600.
  - After 8 PM, contact DPSS Dispatch at (734) 763-1131 to be relocated to isolation housing.
  - Pack a “To Go” Bag with personal items.

**3.** I am a **CONFIRMED CLOSE CONTACT** of someone who has COVID-19.

- **You should quarantine.** Start University Health Service assessment by completing the Upper Respiratory Infection and COVID-19 Assessment Tool or call 734-764-8320.
  - Assess if your living situation is safe for quarantine while awaiting a response.
  - Yes? Follow CDC guidance on how to protect others in your living environment.
  - If your living environment is unsafe, move to quarantine. Options include: return to permanent residence, U-M Q&I Housing or other.

  - After 8 PM, contact DPSS Dispatch at (734) 763-1131 to be relocated to quarantine housing.
  - Pack a “To Go” Bag with personal items.

**4.** I am worried I have been exposed to someone who has COVID-19.

- **Review this definition to see if you are a close contact.**
  - If not, no further action is required for now. Check out self-help tools from CAPS.
  - If yes, or you develop symptoms or your close contact tests positive for COVID-19, contact UHS for assessment by completing the Upper Respiratory Infection and COVID-19 Assessment Tool or call 734-764-8320.

**5.** I am not a confirmed close contact.

- **Follow guidance of UHS.**
  - Discuss if your living situation is suitable for isolation while awaiting test results.
  - Yes? Follow CDC guidance on how to protect others in your living environment.
  - If your test is negative, you should isolate for a period of 10-14 days after your last contact.
  - If symptoms develop, start the UHS Upper Respiratory Infection and COVID-19 Assessment Tool or call 734-764-8320.

**ALL CLEAR**

- **My test is NEGATIVE.** I can return to my room and classes, as long as I am not a close contact.
  - My test is POSITIVE: complete the 10-day isolation period and return to my usual living environment and classes when released according to CDC guidelines by EHS or UHS.
  - I completed the isolation period and can return to my usual living environment and activities when released according to these CDC guidelines by EHS or UHS.
  - I completed the quarantine period. If I do not have symptoms, I can return to my usual living environment and classes.
