PRACTICE ENHANCED SOCIAL DISTANCING AND SEE BELOW FOR MORE GUIDANCE.

---

You should isolate and get tested at University Health Service. Follow guidance of your health care provider and case investigator. If your test result is not from UHS or U-M, report your positive result here. Assess if your living situation is safe for isolation. Yes? Follow CDC guidance on how to protect others in your living environment. If your living environment is unsafe, move to isolation. Options include: return to permanent residence, U-M Q&I Housing or other. To arrange U-M Q&I Housing call U-M Q&I Coordination Center at 734-936-2600. After 8 PM, options include: contact DPSS Dispatch at (734) 763-1131 to be relocated to U-M Q&I Housing that evening or stay in your current residence and relocate the next morning. Pack a “To Go” Bag with personal items.

---

You should isolate. Follow guidance of your health care provider and case investigator. If your test result is not from UHS or U-M, report your positive result here. ALL CLEAR

---

Who to contact for: Medical advice: University Health Service at 734-764-8320. General student support/resources: Dean of Students Office at 734-764-7420 or deanofstudents@umich.edu. Students who can do so safely may choose to return to their permanent residence to isolate/quarantine there instead of on campus/Are Arbor.

*within 6 feet of a case for a total of 15 minutes or more in 24-hour period as determined by a public health official.

**For those who are severely ill with COVID-19 infection or those who are severely immunocompromised, an extended duration of isolation for 20 days after symptom onset is recommended.
