COVID-19 SAFETY FIRST

COVID-19 SCENARIOS FOR STUDENTS LIVING IN OFF-CAMPUS HOUSING

Students may shift columns based on scenario developments.

1. I have SYMPTOMS OF COVID-19.

PRACTICE ENHANCED SOCIAL DISTANCING AND SEE BELOW FOR MORE GUIDANCE.

2. You should isolate and get tested at University Health Service.

Start University Health Service assessment by completing the Upper Respiratory Infection and COVID-19 Assessment Tool or call 734-764-8320.

Follow guidance of UHS. Discuss whether your current living environment is suitable for isolation while awaiting test results. Yes? Follow CDC guidance on how to protect others in your living environment. If your test result is not from UHS or U-M, report your positive test result here. Assess if your living situation is safe for isolation.

Yes? Follow CDC guidance on how to protect others in your living environment.

If your living environment is unsafe, move to isolation. Options include: return to permanent residence, U-M Q&I Housing or other.

To arrange U-M Q&I Housing call U-M Q&I Coordination Center at 734-936-2600. After 8 PM, contact DPSS Dispatch at (734) 763-1131 to be relocated to isolation housing.

Pack a “To Go” Bag with personal items.

PAUSE

3. Stay off campus and isolate while awaiting test result.

Answer calls regarding case investigation and contact tracing.

Stay off campus and isolate for 10 days from the date of your test result**.

If yes, or you develop symptoms or your close contact* tests positive for COVID-19, contact UHS for assessment by completing the Upper Respiratory Infection and COVID-19 Assessment Tool or call 734-764-8320.

3. My test is NEGATIVE. I can return to my room and classes, as long as I am not a CLOSE CONTACT*.

My test is POSITIVE: complete the 10-day isolation period and return to my usual living environment and classes when released according to CDC guidelines by EHS or UHS.

4. I completed the 10-day isolation period and can return to my usual living environment and activities when released according to these CDC guidelines by EHS or UHS.

ALL CLEAR

4. I completed the 14-day quarantine period. If I do not have symptoms, I can return to my usual living environment and classes.

Review this definition to see if you are a close contact.

If not, no further action is required for now. Check out self-help tools from CAPS.

If yes, or you develop symptoms or your close contact* tests positive for COVID-19, contact UHS for assessment by completing the Upper Respiratory Infection and COVID-19 Assessment Tool or call 734-764-8320.

CampusBlueprint.umich.edu

Who to contact for:

Medical Medical advice: University Health Service at 734-764-8320.

General student support/resources: Dean of Students Office at 734-764-4740 or deanofstudents@umich.edu.

Students may choose to return to their permanent residence to isolate/quarantine there instead of on campus/Ann Arbor.

*Within 6 feet of a case for a total of 15 minutes or more in 24-hour period as determined by a public health official.

**For those who are severely ill with COVID-19 infection or those who are severely immunocompromised, an extended duration of isolation for 20 days after symptom onset is recommended.
