COVID-19 SCENARIOS FOR STUDENTS LIVING IN OFF-CAMPUS HOUSING

All students should follow guidance from clinicians and public health officials.

1. I have SYMPTOMS OF COVID-19.
   - You should isolate.
   - Start University Health Service (UHS) assessment by completing the Upper Respiratory Infection and COVID-19 Assessment Tool or call (734) 764-8320 during business hours.
   - Follow guidance of UHS.

2. I have had a POSITIVE COVID-19 TEST RESULT. (Within the last 10 days)**
   - You should isolate.
   - If after UHS business hours, contact DPSS Dispatch at (734) 763-1131 to arrange for U-M quarantine/isolation housing.

3. I am a CLOSE CONTACT* of someone who has COVID-19.
   - You should quarantine.
   - If after business hours, contact DPSS Dispatch at (734) 763-1131 to arrange for U-M quarantine/isolation housing.

4. I have been in close contact with someone who has identified as a CLOSE CONTACT* of someone who has COVID-19.
   - No further action is required unless you develop symptoms, or unless your close contact* tests positive for COVID-19.

PRACTICE ENHANCED SOCIAL DISTANCING AND STAY IN YOUR ROOM!

1. Stay off campus and isolate while awaiting test results.
   - Discuss with UHS whether your current living environment is suitable for quarantine.

2. Stay off campus and quarantine for period of 14 days after last contact.
   - If symptoms develop, start the UHS Upper Respiratory Infection and COVID-19 Assessment Tool or call UHS at (734) 764-8320 during business hours.

ALL CLEAR

1. My test is NEGATIVE: I can return to my room and classes.
   - My test is POSITIVE: Complete the isolation period and return to my usual living environment and classes when released according to CDC guidelines by EHS or UHS.

2. I completed the 10-day isolation period and can return to my usual living environment and activities when released according to CDC guidelines by EHS or UHS.

3. I completed the 14-day quarantine period. If I do not have symptoms, I can return to my usual living environment and classes.

*Within 6 feet for at least 15 minutes as determined by a public health official.
**For those who are severely ill with COVID-19 infection or those who are severely immunocompromised, an extended duration of isolation for 20 days after symptom onset is recommended.
Quarantine/Isolation note: Students may choose to return to their permanent residence to isolate there instead of on campus/Ann Arbor.
