COVID-19 SCENARIOS FOR STUDENTS LIVING IN ON-CAMPUS HOUSING

Students may shift columns based on scenario developments.

BEGIN TO ISOLATE OR QUARANTINE AND SEE BELOW FOR MORE GUIDANCE.

1  I have SYMPTOMS OF COVID-19.

   You should Isolate.
   Get tested at University Health Service.
   Follow guidance of UHS, and discuss arrangements for appropriate isolation housing.

   Until 6 PM, call U-M Q&I Coordination Center at 734-936-2600 to be relocated to isolation housing.
   After 6 PM, options include: contact DPSS Dispatch at (734) 763-1131 to be relocated that evening or stay in your current residence and relocate the next morning.
   Pack a “To Go” Bag with personal items.

1  I have a POSITIVE COVID-19 TEST RESULT (within the last 10 days)**.

   You should Isolate.
   Follow guidance of your health care provider and case investigator.
   If your test result is not from UHS or U-M: Report your positive result here and call U-M Q&I Coordination Center at 734-936-2600 to be relocated to isolation housing before 8 PM.
   After 6 PM, options include: contact DPSS Dispatch at (734) 763-1131 to be relocated that evening or stay in your current residence and relocate the next morning.
   Pack a “To Go” Bag with personal items.

1  I am a CONFIRMED CLOSE CONTACT* of someone who has COVID-19.

   You should Isolate.
   Follow guidance of your health care provider and case investigator.
   If you are VACCINATED:
   - You do not need to quarantine.
   - Recommended: you get tested at UHS 3-5 days after exposure.
   - Wear a mask in public indoor settings for 14 days, or until your test returns negative.
   - Get tested at UHS if symptoms develop.
   If you are UNVACCINATED:
   - Quarantine for 10 days from the last day of contact.
   - Optional: get tested at UHS 7-10 days after exposure.
   - Get tested at UHS if symptoms develop.
   Until 6 PM, call U-M Contact Tracing Corps at (734) 647-0001 to be relocated to quarantine housing.
   After 6 PM, leave a voicemail for CTC and stay in your current residence to be relocated the next morning.
   Pack a “To Go” Bag with personal items.

1  I am worried I have been exposed to someone who has COVID-19.

   Review this definition to see if you are a close contact.
   If not, no further action is required for now.
   Check out self-help tools from CAPS.

   If yes, or you develop symptoms or your close contact* tests positive for COVID-19, get tested at University Health Service.

   You should Isolate.
   Follow guidance of your health care provider and case investigator.
   If your test result is not from UHS or U-M: Report your positive result here and call U-M Q&I Coordination Center at 734-936-2600 to be relocated to isolation housing before 8 PM.
   After 6 PM, options include: contact DPSS Dispatch at (734) 763-1131 to be relocated that evening or stay in your current residence and relocate the next morning.
   Pack a “To Go” Bag with personal items.

1  I completed the 30-day isolation period** and can return to my room and classes as instructed by EHS or UHS in accordance with CDC guidelines.

   I completed the quarantine period.
   If I do not have symptoms, I can return to my room and classes.

   CampusBlueprint.umich.edu

Who to contact for:
Medical advice: University Health Service at 734-764-8320.
General student support/resources: Dean of Students Office at 734-764-7420 or deanofstudents@umich.edu.
Students who can do so safely may choose to return to their permanent residence to isolate/quarantine there instead of on campus/Ann Arbor.

*within 6 feet of a case for a total of 15 minutes or more in 24-hour period as determined by a public health official.
**For those who are severely ill with COVID-19 infection or those who are severely immunocompromised, an extended duration of isolation for 20 days after symptom onset is recommended.

PAUSE

3  Moving to isolation housing while awaiting test results may be necessary depending on test turnaround time.

3  Move to isolation housing for 10 days from the date of your test**.

   Note: Quarantine period could be extended to 14 days if exposed to variant - per EHS guidance.

   If symptoms develop, contact University Health Service.

3  Move to quarantine housing for 10 days after last contact.

   Optional: get tested at UHS 7-10 days after exposure.

   If symptoms develop.

   Until 6 PM, call U-M Contact Tracing Corps at (734) 647-0001 to be relocated to quarantine housing.

   After 6 PM, leave a voicemail for CTC and stay in your current residence to be relocated the next morning.

   Pack a “To Go” Bag with personal items.

ALL CLEAR

4  My test is NEGATIVE: I can return to my room and classes, as long as I am not a CLOSE CONTACT*.

   My test is POSITIVE: I completed the 10-day isolation period** and return to my room and classes as instructed by EHS or UHS in accordance with CDC guidelines.
