COVID-19 SAFETY FIRST

COVID-19 SCENARIOS FOR STUDENTS LIVING IN ON-CAMPUS HOUSING

Students may shift columns based on scenario developments.

1. I have SYMPTOMS OF COVID-19.
   - BEGIN TO ISOLATE OR QUARANTINE AND SEE BELOW FOR MORE GUIDANCE.

2. You should isolate.
   - Get tested at University Health Service.
     Follow guidance of UHS, and discuss arrangements for appropriate isolation housing.
     Until 8 PM, call U-M Q&A Coordination Center at 734-936-2600 to be relocated to U-M isolation housing.
     After 8 PM, remain in your residence hall room, wear a mask and call U-M Q&A Coordination Center the next morning after 10 AM to move to U-M isolation Housing.
     Pack a “To Go” Bag™ with personal items.

3. Move to isolation housing while awaiting test results may be necessary depending on test turnaround time.

4. My test is NEGATIVE: I can return to my room and classes, as long as I am not a CLOSE CONTACT*.

   - If my test is POSITIVE: complete the 10-day isolation period** and return to my room and classes as instructed by EHS or UHS in accordance with CDC guidelines.

5. Move to quarantine housing for 10 days after last contact.
   - Note: Quarantine period could be extended to 14 days if exposed to variant - per EHS guidance.
   - If symptoms develop, contact University Health Service.

6. My test is POSITIVE: I have a CONFIRMED CLOSE CONTACT* of someone who has COVID-19.
   - I completed the 10-day isolation period** and can return to my room and classes as instructed by EHS or UHS in accordance with CDC guidelines.

7. I am a confirmed close contact of someone who has COVID-19.
   - I completed the quarantine period.
   - If I do not have symptoms, I can return to my room and classes.

8. I am a VACCINATED: - You do not need to quarantine. - Recommended: get tested at UHS 5 days after exposure. - Wear a mask in public indoor settings for 14 days, or until your test returns negative. - Get tested at UHS if symptoms develop.
   - If you are UNVACCINATED: - Quarantine for 10 days from the last day of contact. - Optional: get tested at UHS 7-10 days after exposure. - Get tested at UHS if symptoms develop.
   - Await contact from the Contact Tracing Corps and follow their instructions.

9. I am worried I have been exposed to someone who has COVID-19.
   - Review this definition to see if you are a close contact.
     If not, no further action is required for now.
     Check out self-help tools from CAPS.

10. I have SYMPTOMS OF COVID-19.
    - You should isolate.
      Follow guidance of your health care provider and case investigator.
      If your test result is not from UHS or U-M: Report your positive result here.
      Until 8 PM, call U-M Q&A Coordination Center at 734-936-2600 to be relocated to U-M isolation housing.
      After 8 PM, remain in your residence hall room, wear a mask and call U-M Q&A Coordination Center the next morning after 10 AM to move to U-M isolation housing.
      Pack a “To Go” Bag™ with personal items.

11. You should isolate.
    - Get tested at University Health Service.
      Follow guidance of UHS, and discuss arrangements for appropriate isolation housing.
      Until 8 PM, call U-M Q&A Coordination Center at 734-936-2600 to be relocated to U-M isolation housing.

12. If you are VACCINATED: - You do not need to quarantine. - Recommended: get tested at UHS 5 days after exposure. - Wear a mask in public indoor settings for 14 days, or until your test returns negative. - Get tested at UHS if symptoms develop.
    - If you are UNVACCINATED: - Quarantine for 10 days from the last day of contact. - Optional: get tested at UHS 7-10 days after exposure. - Get tested at UHS if symptoms develop.
    - Await contact from the Contact Tracing Corps and follow their instructions.

13. Review this definition to see if you are a close contact.
    - If not, no further action is required for now.
    - Check out self-help tools from CAPS.

14. If yes, or you develop symptoms or your close contact* tests positive for COVID-19, get tested at University Health Service.

15. I have a POSITIVE COVID-19 TEST RESULT (within the last 10 days)**.

16. I am a confirmed close contact of someone who has COVID-19.

17. I completed the quarantine period.
    - If I do not have symptoms, I can return to my room and classes.

CampusBlueprint.umich.edu

Who to contact for:
Medical advice: University Health Service at 734-764-8320.
General student support/resources: Dean of Students Office at 734-764-7420 or deanofstudents@umich.edu.
Students who can do so safely may choose to return to their permanent residence to isolate/quarantine there instead of on campus/Ann Arbor.

*within 6 feet of a case for a total of 15 minutes or more in 24-hour period as determined by a public health official.
**For those who are severely ill with COVID-19 infection or those who are severely immunocompromised, an extended duration of isolation for 20 days after symptom onset is recommended.
