# COVID-19 Scenarios for Students Living in On-Campus Housing

All students should follow guidance from clinicians and public health officials.

## COVID-19 Scenarios

### Scenario 1: I have Symptoms of COVID-19

- **Symptoms:** Fever, cough, shortness of breath, muscle pain, headache, loss of taste or smell.

- **Action:** Isolate immediately.

- **Guidance:** Complete University Health Service (UHS) assessment by completing the Upper Respiratory Infection and COVID-19 Assessment Tool or call (734) 764-8320 during business hours. Follow UHS guidelines. If symptoms persist or worsen, contact DPSS Dispatch at (734) 763-1131.

### Scenario 2: I have had a Positive COVID-19 Test Result (within the last 10 days)**.

- **Action:** Isolate immediately.

- **Guidance:** Complete UHS assessment by completing the Upper Respiratory Infection and COVID-19 Assessment Tool or call (734) 764-8320 during business hours. Follow UHS guidelines. If you are severely ill or severely immunocompromised, consult with your health care provider for isolation guidelines.

### Scenario 3: I am a Close Contact* of someone who has COVID-19.

- **Action:** Quarantine immediately.

- **Guidance:** Complete UHS assessment by completing the Upper Respiratory Infection and COVID-19 Assessment Tool or call (734) 764-8320 during business hours. Follow UHS guidelines. If you are severely ill or severely immunocompromised, consult with your health care provider for isolation guidelines.

### Scenario 4: I have been in close contact with someone who has identified as a Close Contact* of someone who has COVID-19.

- **Action:** Quarantine immediately.

- **Guidance:** Complete UHS assessment by completing the Upper Respiratory Infection and COVID-19 Assessment Tool or call (734) 764-8320 during business hours. Follow UHS guidelines. If you are severely ill or severely immunocompromised, consult with your health care provider for isolation guidelines.

---

**Move to quarantine/isolation housing while awaiting test results.**

**Move to quarantine/isolation housing, typically for 10 days.**

**Move to quarantine/isolation housing, typically for 14 days after last contact.**

**Quarantine/Isolation note:** Students may choose to return to their permanent residence to isolate there instead of on campus/Ann Arbor.
