

WINTER TERM COVID-19 TESTING

The U-M Winter Term COVID-19 testing plan includes major increases in asymptomatic testing that will be mandatory for undergraduates and some graduates, and expands access for many individuals in the university community.*

*Aspects of the plan are still under development.

Mandatory Testing

For undergraduate students living in residence halls

- Must have a negative test result prior to move-in.
- Weekly mandatory testing.
- Must get departure testing. A negative test result is recommended prior to returning to permanent residence.

For undergraduate students living off-campus

- Weekly mandatory testing for students who come to campus to attend in-person classes or activities (e.g., doing research), use facilities (e.g. libraries, unions, Rec Sports, Dining) or to work on campus. Testing for this group prior to starting any on-campus activities also is required.

For graduate students living in residence halls

- Must have a negative test result prior to move-in.

ADDITIONAL COVID-19 TESTING

- **Quarantine testing** for individuals in U-M quarantine housing or students living off campus and not using U-M quarantine housing.
- **Surveillance testing** for those not undergoing mandatory weekly testing.
- **Symptomatic testing** for symptomatic individuals and those who have had close contact with infected persons through [University Health Service](#) and [Occupational Health Services](#).

Expanded Available Testing & Recommendations

For undergraduate, graduate and professional students

- Weekly asymptomatic testing available for all students who are not otherwise covered by a mandatory program.
- Departure testing with a negative test result is recommended before returning to their permanent residence for undergraduate students living off campus and all graduate students.

Faculty & Staff

- Weekly asymptomatic testing available for all instructional faculty with in-person teaching and staff working on campus.
